

LOPPINGTON PARISH COUNCIL

Grant Awarding Policy

The Council is an active supporter of the community it serves and sets a budget each financial year to enable it to make grants to assist local groups and organisations.

Who may apply?

- (a) Local Clubs or Societies:
 - (b) Regional/National Charitable Bodies providing a service, which may benefit the local community.
 - (c) Companies whose objects are charitable, benevolent or philanthropic and the project funding is wholly for community benefit
- The Council cannot support individuals, or groups promoting or linked to political issues or businesses, and will not consider retrospective applications

When and how to apply?

Applications may be made at any time during the year but must be received by the Clerk two weeks prior to the meeting for which consideration by the Council will be given. Meetings are held bi-monthly usually on the second Tuesday of the month.

Members judge applications on merit and approved grants will be paid after the Council meeting at which the approved grant is authorised for payment.

Small Grants Fund

Applications for small amounts (unlikely to exceed £250) should be submitted in writing by a responsible member of the organisation and sent to the Parish Clerk for consideration.

The grant must be used for the purpose for which the application was made and the Council reserve the right to receive written proof that the grant awarded was so used

Intermediary Grants

The Council may make grants to registered charities, clubs or societies to help with the cost of clearly defined Community Projects. These grants will not normally exceed £1000.00. An application for a grant must be made using the approved application form; a member of the organisation may be asked to attend a Council meeting to discuss the application. The grant must be used for the purpose for which the application was made and written proof to the Council must be made within one year of the grant being awarded.

Major Grants

The Council may make grants to registered charities, clubs or societies to help with the cost of clearly defined Community Projects. A member of the organisation may be asked to attend a Council meeting to discuss the application. The Council will reserve the right to monitor the project to ensure that the grant is used in accordance with the application.

An application for a grant must be made using the approved application form by a responsible member of the organisation and sent to the Parish Clerk, including with the application, a copy of the most recent audited accounts and full details of the project and any relevant quotations.
